My apologies. It seems that there are 14 registered whitebait stands at Big bay, not 12.

Dear Carmen and Denise

Re: Big Bay Whitebaiters Group oral submission on proposed Southland Land and Water Plan

At the hearing yesterday I was asked how many whitebait stands are currently in operation at Big Bay. I undertook to come back with this information.

To the best of my knowledge, there are 12 consented whitebait stands at Big Bay. This number could be checked from the ES consents database.
I understand that normally most, if not all, of these 12 stands are in use full-time during the whitebait season.

Please let me know if I can be of any further assistance.

Yours faithfully – Bill Chisholm
